Traveling faith healer Frank has gone all over Wales and Scotland with his wife, Grace, and his manager, Teddy. In their respective monologues, Frank, Grace and Teddy tell their differing versions of the healer's performances and of a terrible event that slowly comes into focus. In this darkly lyrical tale, the author has created a metaphorical portrait of the artist as both creator and destroyer through the shifting memories of the three characters.

November 4-2, 2011
Fridays & Saturdays at 8 pm, Sundays at 3 pm
