INT. MIKE'S DINER - DINING ROOM - NIGHT

Tammy reassures herself that her nose is clean. Mike storms past with MENU's and PLOPS them to her chest.

MIKE

Table nine.

Tammy speeds down the aisle, and is surprised to find Liz Freeman, Kristina in a ballet dress, and Kori.

LIZ

Tammy?

TAMMY

Hi. Hey girls. What a surprise...

LIZ

Tammy, how are you? Girl, it's been far too long since we got together.

Tammy nervously shuffles in her place.

TAMMY

I'm doing well, kids are good. Just uh, just trying to keep up ya know?

Adrian approaches the table with her BABY in her arms.

TAMMY (CONT.)

We have a... Adrian, when did you have... I didn't know you were...

Adrian looks to her Mother for support.

LIZ

Yes, Adrian's a Mother. Eight months now.

Tammy GLARES at the BABY and CHEWS on her thumb nail.

LIZ (CONT.)

Definitely unexpected, but he's been a blessing.

TAMMY

Well, that's really something. Congratulations. So what'll it be?

Liz looks at Tammy still holding the menus.

(CONTINUED)

TAMMY

Jesus, sorry. I'll give you guys a few minutes then.

Tammy begins to walk away when she remembers.

TAMMY (CONT.)

Do you want anything to drink? I'm sorry I have to ask, is the father...

Liz stares at the anxious Tammy almost shaking.

LIZ

The parents of that boy are sittin' right here in front of you. No one else got any responsibility here.

TAMMY

Well... he's precious.
