INT. UNSPECIFIED HOUSE - ROOM - NIGHT

Synthia quickly RAIDS a pile of HAND BAGS. Each one of them finding small amounts of CASH, EARRINGS and--

MATT (O.S.)  
--Alright, I'll get it!

Synthia quickly tries to straighten up the BAGS as Matt nears the room. He OPENS the door to find Cynthia looking in the mirror fixing her EYE MAKE UP. He enters and closes the door behind himself, she turns to him.

SYNTHIA  
Yes?

MATT  
Synthia, you never told me you were Justin's step sister.

SYNTHIA  
Half... half sister.

MATT  
Could you explain how that works?

Matt paces towards Cynthia backing her into the corner.

SYNTHIA  
Well, my Mom's got three kid's, and we each got different Fathers.

MATT  
See, now I'm confused. All along I was told you were a slut just like your mother. After you punched me in the lip I figured I must'a been lied to. But you just clarified that your Mother is a slut. So I don't get it?

Matt intimidates her with his chest in her face, he then leans down looking her in the eye. He forces his hand down her pants. She GRABS his wrist wincing, but he out muscles her. He removes his hand, and smells his fingers.

MATT  
Mmm, I smell a cherry.
