Speedy LAUGHS and SLAPS hands with Larry. Matt and Aaron arrive in a NICER CAR. Matt rolls down his window.

JUSTIN
(laughing)
I can't believe it, you came back!

Larry and Speedy LAUGH at them.

JUSTIN
They're stayin' in the car this time though!

LARRY
Hell yeah, fast getaway!

Matt and Aaron aren't amused.

AARON
Listen you got anything or not?
Don't waste our fuckin' time!

Justin raises both his middle fingers at them.

LARRY
What'chu need?

AARON
You know what the fuck we want.

JUSTIN
You wanna get loud boy? You best check yourself. I'm 'bout to come over there and rip you out that fancy car your Daddy bought.

AARON
I'd like to see that, you skinny mother fucker!

Justin STANDS up from his seat.

MATT
No, no! We don't want any trouble Justin. He's strung out, don't listen to him. Just give us our shit, and we'll go.

Matt holds the money out the window. Speedy turns to Brian and sneaks an EIGHT BALL into his hands. Brian looks down at it, Speedy quickly closes his hand.

SPEEDY
Give it to him.

Brian walks up to the car, and makes the exchange.

MATT
Who are you kid?

AARON
You shouldn't be hangin' out with
these guys you know.

BRIAN
Justin's my brother--

JUSTIN
--Don't worry about it! Get your
shit and go.

AARON
Now we know the whole family!
