

EXT. FONT MANOR POOL, FLASHBACK - CONTINUOUS

16

Aaron comes rushing out of the pool with the red stick in his hand. Aaron laughs and screams as he reaches Louise who sits in a sun chair and sports sunglasses and a hat. She's looking at her watch and holds a green and a blue stick.

AARON

Did I get the point?

LOUISE

Well, you took 30 seconds longer. *

AARON

Ahh. Come on, mom. I did the best I could.

LOUISE

You took an extra 30 seconds, there's nothing I can...

AARON

(cutely)

Pleeeeeease??? C'mon, I got all three.

Louise looks at Aaron.

LOUISE

Ok. We'll get the toy tomorrow.

AARON

Yes! Yay, yippee!!! I love you, I love you.

Aaron jumps up and down.

LOUISE

I love you, my sweetie pie. *

Louise grabs Aaron by the cheek, squeezes it and kisses him. Aaron pulls away.

AARON

Mom!

JAMES (O.S.)

Can I get one as well?

James points to his cheek as he walks towards Aaron and Louise with some burgers. The grill smokes behind him. Both James and Louise appear 10 years younger, full of life. James has a toned body and Louise is tanned and very sexy. Aaron is a bit thinner. *

(CONTINUED)

Louise goes for James' cheek but he turns around and kisses her on the mouth lovingly. As they break the kiss, James hands each of them their plate. Louise's has a little note on it. Louise reads it and gives James a naughty look. James kisses her behind the ear. They laugh and look passionately into each other's eyes. They are about to kiss again. Aaron looks at them, grabs a bite out of his burger and shows the half eaten bite to them.
