

Write Your Own Musical!

Learn to write a short musical with playwright/composer/lyricist Kit Goldstein Grant and music educator/pianist Rebecca Benjamin. Students will learn the basics of lyric writing, song form, and what goes into making a memorable melody. Together, the group will come up with a fun story and work together to write the songs to go with it! On the final day, students will perform a staged reading of their work for parents and friends. *For students age 7 – 12. Students should bring a notebook, pencil, and lunch.*
