Have you ever wondered what it was like to act on film? Want to learn how to edit and make a music video? In this weeklong session, students will learn how to write for film, learn the nuances of acting for the camera, create a scene and “storyboard” a music video in which they will star. Each student will perform in the end-of-session showcase and host a private screening for family and friends. Students will receive a copy of the DVD.

Do you want to be a Triple Threat? That’s someone who can Act, Sing and Dance. Work with professionals throughout the week on acting technique, singing and dance. Triple Threat TEEN

July 21 – 25; Ages 12 and up

Are you getting ready for a big audition? Are you an experienced teen actor trying to hone your craft? Do you love to sing and dance? This is the class for you! Each student will work on a monologue and a vocal audition piece. We will also stage several group scenes written by the students. All of this will be performed in a closing showcase. This program is perfect for teens with stage experience and those wanting to try something new!

Be a Star

August 4 – 8; Ages 5 – 9

Introduces children to basic stage technique using creative dramatics, music and movement. Through positive reinforcement, children learn to respect others’ work, create scenes as an ensemble and work with a musical director and a choreographer. This program helps build self-confidence and communication and collaboration skills among younger students. Students will perform in an end-of-week showcase.
