

Become your favorite character or create your own!

Each day is filled with imagination and joy! Learn about art, create art and perform art. Campers will make new friends, learn new skills and develop their imagination in a gently structured atmosphere. Group work will combine ages by interest or experience. Emphasis will be placed on the creative process.

As with all Kids Dancspace @ eba programs, the main ingredient is serious fun!

Boys and Girls age 7 - 12

## Campers • It's your creation, your favorite character

This summer at the eba Theater, we will explore Characters that make you sing, dance and act. Then make dances, costuming, props, and creative media ...all about your favorite character.

Campers will be taught by professional eba Teaching Artists. eba Artists will lead campers on an artistic explorations creating all the components needed for a fabulous rockin' performance!

Each day includes creative classes and workshops including dance, props and more; 2 snack breaks, a rest/read time, and lunch in Washington Park (weather permitting, of course).
