

INT. COLLEGE PROFESSOR'S OFFICE.

College Professor expresses concern over student falling behind on assignments and asks if there's anything troubling her that she needs to talk about.

FEMALE STUDENT (VICTIM)

Its just that, well, a few weeks ago
I was out with some friends...

(takes a breath)

Sorry, I haven't told anyone about
this...

(beat)

We'd had a few drinks and I was gonna
go back to my dorm. But my friends
were going to a house party and I
kinda felt left out, so I went along.
I met another friend there I hadn't
seen all summer. We talked. He was
offering me drinks the whole time, but
my tolerance isn't that great. I said
I needed to go, and he offered to take
me home. I trusted him. When we got
to my dorm he took my hand and led me
to the bed. I said no, this isn't a
good idea, I told him to stop,
that I didn't want to have sex...

(beat)

He was determined, I was scared. So I
let it happen. I'm sorry, I've just
been holding all this in for weeks, I
was ashamed to tell anybody.
