Circle Theatre Players has produced four theatrical productions a year for over thirty years here in beautiful Sand Lake, New York and we do not plan on slowing down. Theatre goers that frequent our space are provided with quality community theater and commitment to the arts unparalleled in our area. We are an all-inclusive community center and our hope is to build on that community in all aspects of the arts. We now invite you to take part in our journey! If you are interested in submitting for the 2019-2020 season please complete the attached form and return it to the Sand Lake Center for the Arts, 2880 NY 43, Sand Lake NY 12018 no later than May 31, 2018.

All submissions must be accompanied by a copy of the script and any materials needed to better assist our committee with the decision process.

SLCA requests a written explanation for each submission informing our committee of the reasons you wish to direct at the center and why your choices would be successful for our audiences.

We thank you for your submissions and interest in the Sand Lake Center for the Arts and look forward to working with you!

Good luck!
