Non-Profit Fundraising Opportunity from Home Made Theater

Home Made Theater, Saratoga's resident theater company, is offering fellow non-profit organizations {501(c)(3)s} the opportunity to raise funds while enjoying an evening out at the theater.

For each HMT opening night of the 2018-2019 season, a non-profit group can benefit from the sale of up to 100 tickets. The group will receive half of all box office sales completed using a special promotional code which can be used by members of the group and the general public. As an additional benefit, the participating organization may promote their organization by adding an insert to the opening night playbill or posting a sign in the Spa Little Theater lobby.

HMT's 2018-2019 season includes: YOUNG FRANKENSTEIN in October, A CHRISTMAS STORY in December, THE MOUSETRAP in February, and BAREFOOT IN THE PARK in late April/early May. For a description of these shows, please visit the HMT web site at www.homemadetheater.org.

Only one organization will be given this opportunity for each opening night, so contact HMT at 587-4427 or info@homemadetheater.org as soon as possible to secure your opening night. Once these slots are filled, organizations will be placed on a list for future dates.
