### **PROGRAM INFORMATION FOR STUDENTS & PARENTS/GUARDIANS**

In 2022, Playhouse Stage Co. will produce two productions for the students of Playhouse Stage Academy at the Cohoes Music Hall. Auditions will be conducted via video submission, with callbacks in person as needed at Playhouse Stage Studios on Saturday, October 2.

Students 12+ will need to provide proof of vaccination at the start of rehearsals.

#### **Audition Information**

To audition - submit a self tape including an appropriate 32-bar cut (classical musical theatre or Country/Bluegrass/Folk for Oklahoma) with accompaniment and a short monologue.

**Please submit as two separate videos, slating at the beginning of each video with your name, age, and material selection.**

Self-tapes should be filmed in a landscape orientation at actor's eye level. Please frame yourself from the chest up and remember to light yourself well by facing a window and standing against a relatively simple background.

Email your self-tape auditions to [ashley@playhousestage.org](mailto:ashley@playhousestage.org) no later than September 26, 2021 at 5pm with the subject AUDITION SUBMISSION - NAME - AGE. Depending upon the size of your videos, you can also upload them to Dropbox, Vimeo, or a private Youtube and include the links in your email. Please attach the form linked below to your email with a headshot and resume.

***Callbacks will be held at Playhouse Stage Studios, 95 Remsen St. Cohoes by appointment on Saturday, October 2, 2021.***

***If needed for callbacks, you will receive an email notification.
