

X-Games
Audition script (Marcus)

MARCUS

I find that impossible to believe.

GIRL

What? Me having no friends.

MARCUS

No, you being an ugly child. I mean, look at you- you're gorgeous.

GIRL

(smiles)

You think?

MARCUS

Yeah, for real you are really beautiful. I was having a bad day before I met you and then I bumped into you and all that just went away when I saw your face.

GIRL

Stop you're just saying that.

MARCUS

No I'm serious. Ask me what happened before I met you?

GIRL

What happened before you met me?

MARCUS

I don't know. See told you it went away.

Note

Next scene

MARCUS

Nooooo! No buts! You do not eat stale cheese then criticize me for eating 2 day expired whipped cream.

GIRL

(laughs)

No, wait, there's a but.

MARCUS

No keep the but, nothing you say can justify eating stale cheese. You ate stale cheese and that's the end of discussion.

GIRL

It was a dare!

MARCUS

Ohhhhh! A dare, damn, I see why you did it, I would have done it too. I hate losing.

GIRL

Exactly! See I did justify it.

MARCUS

Okay, I'm going to let that one go.

GIRL

Good.

MARCUS

Was there mold on it?

GIRL

A lil bit.

Marcus makes a disgusted face.

GIRL

I had to do it for the dare.

MARCUS

Had to do it for the dare... Okay,
I-I support you on that one.
