LLANA

(panicking)

Okay what's the emergency? What's the 911? I got everything you wanted; glazed, sprinkled and jelly, donuts, bbq sweet and sour wings, and orange soda.

MILA

(takes a donut and bites it)

Mmmmm! Thank you girl!

LLANA

(panicky)

So what's the emergency? What happened?

MILA

I texted Dom.

LLANA

You cannot be serious? This is what you nine one one'd me here for? And I got you all this stuff!

MILA

Yesss! This is serious!

LLANA

So what? It's just a freaking text. You said you text all the time on Instagram.

MILA

No! I said we send each other memes all the time on Instagram. This is different.

LLANA

How so?

MILA

It's just different!

LLANA

How?

MILA

(nervous)

I sent him a kiss face emoji!

She grabs the phone from Mila and looks.

LLANA

Oh no you didn't! Mila what? Why would you do that?

MILA

I don't knowwwww!

LLANA

Oh my gosh girl, you need help.
Wait, what was his reply? "Thanks,
you too"? "Thanks, you too"?

MILA

Rigghhttt?

LLANA

Okay okay. Calm down, let's break
this down. Maybe we're
overreacting... I mean you said
sweet dreams he said "thanks, you
too." That's - that's an
appropriate response--- right?

MILA

Yeahh- but kiss face emoji?

LLANA

Yeahh, the kiss face... Mhmm!

LLANA

What? Okay why did you send that
message, and why did you use that
emoji? Because clearly you had a
reason, and what would have been an
"appropriate" response?

MILA

I don't know! Just not "thanks you,
you too" Ughh! He's so lame!
