

X-Games
Audition script (Dom/Jov)

Jov walks in.

DOM
Where's the food?

JOV
I ate it on the way here, I was hungry. I got a left over Twinkie for you though.

DOM
(sarcastic)
I can't tell you how much I appreciate it.

Jov sits in the living room.

JOV
What's so important that it couldn't wait till later?

DOM
(excited, hands him his phone)
Go on, check that out!

JOV
(slightly confused)
Okay? What? Some girl told you sweet dreams, kiss face emoji? Dude they got some things out here called nudes, hit me up when you get one of those, I got a bunch I can show you.

DOM
Look who sent it.

JOV
(excited)
Oohhhh shit! Ohhh shit! Mah boy! Back in!

DOM
(excited)
Ahhhh! Yess! I know right!

JOV
(excitement drops)
Why are we excited? Literally all she said was sweet dreams.

DOM
Ah! Kiss emoji.

JOV
So?

DOM
In our relationship that means I love you.

JOV

Y'all are not in a relationship no more Dom.

DOM

True. But why did she send it?

JOV

They're women! Why do they do anything? They purposefully bleed every month so we can buy them chocolates. They're crazy!

DOM

(looks at him, sadly)

Who hurt you young man? Nah but seriously what do you think it means?

JOV

(sighs)

I don't know bruh, maybe you're reading into it too much.
