

Union Statement

Will Kempe's Players is a member-owned cooperative. We offer modest payments to all who participate in the production process; performing artists will receive stipends – determined by profit-sharing after expenses – at the end of the season.

While WKP endeavors to maintain an equitable labor environment, the Company's finances will not permit us to pay union rates or to negotiate union contracts. Union members are advised that if they accept a WKP contract, they must negotiate their own arrangement with their union(s). WKP will gladly be party to those individual negotiations, but, to reiterate, the Company is not in a position to negotiate blanket or individual labor contracts.

We thank you for your participation in these auditions. If you have questions, please reach out to Company Manager Phillip Beattie at ph1ll1pbeat@gmail.com and/or Artistic Director Sandra Boynton at boyntosm1@gmail.com.
