LOGLINE: Stacy Friedman is determined to have the best Bat Mitzvah ever. Stacy, her best friend, Lydia, and their families have been planning this for their entire lives. But sky-high expectations, popular boy Andy Goldfarb and general middle school growing pains pose a threat to friendship, family and—most importantly—the perfect party.

[DANTE] Dante is a 12-14 year old boy. Dante is a foreign exchange student from Italy with a slight Italian accent. He is Catholic, but is earnestly interested in the Jewish faith and helping out in the community. Dante has casually found himself in the popular crowd, but he doesn't seem to care much about status.
